**CHADDESLEY CORBETT NEIGHBOURHOOD PLAN DECISION STATEMENT**

**1. Chaddesley Corbett Neighbourhood Plan**

- 1.1 I confirm, that the Chaddesley Corbett Neighbourhood Plan, as revised according to the modifications set out below, complies with the legal requirements and Basic Conditions set out in the Localism Act 2011, and can therefore proceed to referendum. The referendum will be held on 11 September 2014.
- 1.2. I also declare that I have no disclosable personal or disclosable prejudicial interest in respect of this decision.

Signed  
Mike Parker  
Director of Economic Prosperity and Place

## 1. Summary

- 1.1 Following an independent Examination, Wyre Forest District Council now confirms that the Chaddesley Corbett Neighbourhood Plan will proceed to a Neighbourhood Planning Referendum.

## 2. Background

- 2.1 On 14 September 2012, Wyre Forest District Council designated the area comprising the Parish of Chaddesley Corbett as a Neighbourhood Area for the purpose of preparing a Neighbourhood Plan in accordance with Part Two of the Town and Country Planning (England), Neighbourhood Planning (General) Regulations 2012.
- 2.2 Following the submission of the Chaddesley Corbett Neighbourhood Plan to the District Council, the plan was publicised and representations were invited. The publicity period ended on Tuesday 27<sup>th</sup> May 2014.
- 2.3 Wyre Forest District Council appointed an independent examiner, Mr Peter Biggers of Argyle Planning, to review whether the Plan should proceed to referendum.
- 2.4 The examiner's report concludes that subject to making the minor modifications recommended by the examiner the Plan meets the Basic Conditions set out in the legislation and should proceed to a Neighbourhood Planning referendum.
- 2.5 Having considered each of the recommendations made by the examiner's report, and the reasons for them, the District Council has decided to make the modifications to the draft plan referred to in paragraph 3.1 below, to secure that the draft plan meets the Basic Conditions set out in legislation.

## 3. Decision and Reasons

- 3.1 The District Council has made the following modifications, proposed by the examiner, to ensure that the draft plan meets the Basic Conditions, for the reasons given. Text to be removed is shown with ~~strikethrough~~ and text to be inserted is in *italics*:

	<p><b><i>Informal Public Consultation and Engagement – Preparing the Draft Neighbourhood Plan</i></b></p> <p><i>The Chaddesley Corbett Neighbourhood Plan has been prepared building on extensive public consultation and community engagement from the beginning of the process in 2012. The Steering Group worked hard to ensure as many opportunities were provided as possible for consultees to put forward their ideas, concerns and comments throughout the Plan’s preparation and particularly at all key stages of decision making.</i></p> <p><i>Following designation of the Neighbourhood Area in 2012, an overarching Steering Group was established together with a series of Working Groups consisting of volunteers from different local groups and organisations and Parish Councillors. Five Working Groups were set up to consider the following themes:</i></p> <ul style="list-style-type: none"> <li>• <i>Highways, Parking and Transport</i></li> <li>• <i>Business, Agriculture and Commerce</i></li> <li>• <i>Community and Leisure</i></li> <li>• <i>History, Architecture and Conservation</i></li> <li>• <i>Housing and Environment</i></li> </ul> <p><i>The Steering Group and Working Groups met on a regular basis, and throughout the development of the Draft Plan continued to talk to local residents and visitors about their future aspirations. A designated website (<a href="http://www.chaddesleyplan.org.uk">www.chaddesleyplan.org.uk</a>) was set up and this was regularly updated with information about the development of the Neighbourhood Plan, including minutes and notes from Steering Group and Working Group meetings.</i></p> <p><b><i>Parish Questionnaire (Survey)</i></b></p> <p><i>In April 2013 a Questionnaire was sent to all households on the Chaddesley Parish Electoral Roll, businesses operating within the Parish and employees of those businesses. An abbreviated children’s on-line version of the Questionnaire was placed on the Worcestershire County Council web site. The results of the survey were used to bring up to date the aspirations from the Parish Plan and Parish Design Statement, and were used to inform the content and scope of the Neighbourhood Plan.</i></p>	<p>the Examiner’s Report and to ensure that the plan complies with the Basic Conditions.</p>

	<p><b>Newsletters, Parish Magazine and Annual Report</b>  <i>At all key stages of development of the Neighbourhood Plan, a newsletter was produced and sent by post to each household. Contact details of Parish Councillors and the Parish Clerk were included in the newsletters, together with details of the Neighbourhood Plan web-site. Newsletters were circulated by post to every household on the Electoral Roll. Notices of consultation events and other milestones were published in Parish Magazine (received by 60% of the Parish every month) and on 3 Parish Council notice boards. The Parish Council Annual Report was issued in July 2013 and included information about the Neighbourhood Plan.</i></p> <p><i>Newsletters were published in January 2012, November 2012, April 2013, November 2013 and January 2014.</i></p> <p><i>A Consultation Event was held on Saturday 21st September 2013 and was attended by approximately 80 people. Responses submitted at the Consultation Event were published on the Parish Council's website and were used to inform and shape the emerging Draft Neighbourhood Plan.</i></p> <p><b>Parish Housing Needs Survey, Winter 2013<sup>1</sup></b>  <i>To help assess the basis for proposals in the Chaddesley Corbett Draft Neighbourhood Plan, a Parish Housing Needs Survey was conducted in October/November 2013. A total of 637 surveys were delivered to households in the Parish, and 208 surveys were completed and returned (of which 2 were completed online), which represents a response rate of 32.7%. The findings of the Housing Needs Survey have influenced the development of the Plan.</i></p>

	<p><i>‘‘The adopted Core Strategy apportions residential development to different areas of the District. Chaddesley Corbett falls into ‘Bewdley and the rural areas’ for the purposes of housing land supply. The Core Strategy requires approximately 400 houses to be provided in ‘Bewdley and the rural areas’ up to 2026 and, as set out in the Rural Completions Data 2006-2014, development is on track to meet that requirement. Because the Parish is washed over by the Green Belt its contribution to housing land supply will be limited to those types of housing supply which are not inappropriate in the Green Belt. It is accepted however that...’’</i></p>	<p>recommendation 10 of the Examiner’s Report an to ensure that the [position regarding housing land supply and the Green Belt status of the plan are is fully explained.</p>
<p>Paragraph 5.1.3</p>	<p>Within the summary of the Housing Needs Survey data, include the relevant number as well as the percentage of respondents for all figures as follows:</p> <p><b>Overview</b> To help assess the basis for proposals in the Chaddesley Corbett Draft Neighbourhood Plan, a rural housing needs survey was conducted in October/November 2013. A total of 637 surveys were delivered to households in the Parish, and 208 surveys were completed and returned (of which 2 were completed online), which represents a response rate of 32.7%.</p> <p><b>Summary</b> The key points emerging from the Survey include:</p> <ul style="list-style-type: none"> <li>• The population has a significant proportion of older people, with many long-term residents:- <ul style="list-style-type: none"> <li>○ 41.4% (183) of respondents in all households are age 65 or older</li> <li>○ Almost 50% (100) have lived in the Parish for more than 20 years</li> <li>○ Just over 40% (86) have lived in their current house for 20 years or more</li> <li>○ Most (82.6%) (171) live in a house, many of which (34.6%)(68) have 4 or more bedrooms</li> </ul> </li> <li>• Affordability of property in the Parish is an issue, but where household members have left in the last 5 years, this was predominantly (83.6%) (51) for education or work</li> <li>• Residents expect to stay in the Parish, but many anticipate that their housing needs may change: <ul style="list-style-type: none"> <li>○ Almost everyone (97.6%) (200) intends to stay in the Parish for the next 5-10 years</li> </ul> </li> </ul>	<p>In response to recommendation 11 of the Examiner’s Report and to provide clarity over the housing need within the Parish.</p>

Future changes to the needs or viability of these businesses could present significant challenges to maintaining the Parish’s rural character and the setting for its settlements; Policy CC5 seeks to anticipate such situations.”</i></p>	
Policy CC4	<p>Reword the first paragraph of policy CC4 to read:</p> <p><i>“ Notwithstanding <del>Outside of the</del> permitted development rights granted by the Town and Country Planning (General Permitted Development) (Amendment and Consequential Provisions) (England) Order 20141995 (as amended) or any subsequent amendment, and, in order to support farm diversification and the sustainable growth and expansion of businesses, the conversion of existing agricultural and commercial buildings will be supported where it is justified, to promote expansion in the rural economy.</i></p>	In response to recommendation 14 of the Examiner’s Report and to ensure clarity.
Paragraph 5.3.31	<p>Insert an additional paragraph after paragraph 5.3.31 as follows:</p> <p><i>The Neighbourhood Plan includes specific proposals in respect of the former school site and the Old Grammar School building, set out in Site Allocations CCSA1 and CCSA2. Site Allocation CCSA1 supports the sensitive re-use for the former school site for new housing, and the development of land to the rear of the building where it is complimentary to the historic character of the village, does not adversely affect neighbouring properties, contributes positively to the street scene and is of sustainable design. Land to the rear of the building is considered suitable for an extension to the burial ground, car parking, or public open space. Site allocation CCSA2 supports the re-use of the Old Grammar School for continued educational or related D1 use such as a library, internet access, advice centre and/or meeting rooms.”</i></p>	In response to recommendation 16 of the Examiner’s Report and in order to aid the clarity and understanding of the Plan.

Paragraph 5.4.9	<p><b>Add to Paragraph 5.4.9:</b></p> <p><i>“In this section therefore, the Neighbourhood Plan sets out planning policies which seek to identify and protect the distinctive elements which together provide the special qualities of the landscape setting and built heritage of Chaddesley Corbett Parish. These assets are considered under the three key areas of landscape setting, settlement pattern and building design.”</i></p>	In response to recommendation 17 of the Examiner’s Report and to clarify the reasoning behind policies CC8, CC9 and CC10.
Following paragraph 5.4.13	<p><b>Add wording after existing 5.4.13 and re-number others accordingly</b></p> <p><i>“It is vital that these natural heritage assets are protected and enhanced, to ensure local wildlife, habitats and the wider local landscape character are supported both for their intrinsic value, and for the benefit and enjoyment of existing and future residents. A key element of the rural character of the Parish is the pattern of open spaces which contain the traditional settlement patterns of the village and hamlets, and provide an attractive open setting around the tighter built form. Significant views towards key natural and historic features are identified, and these should be protected through careful siting, design and the use of appropriate scale in any new development. Signage should be designed sensitively, and proposals for new poly tunnels should give careful consideration to visual impact on the landscape. Landscaping schemes should be used to add value to habitats through the appropriate use of native species and traditional boundary treatments. In addition, new development should demonstrate consideration of archaeological features and incorporate sustainable drainage in order to reduce the potential for flooding”.</i></p>	In response to recommendation 17 of the Examiner’s Report and to clarify the reasoning behind policies CC8, CC9 and CC10.
Policy CC8	<p>Reword the policy opening as follows:</p> <p><i>“In order to be considered favourably aAll new development proposals will be required need to satisfy demonstrate consideration of the following landscape design principles:”</i></p>	In response to recommendation 18 of the Examiner’s Report and in order to provide greater clarity and consistency.

Steps)	<p><del>" The amended Neighbourhood Plan, together with all supporting documentation will be submitted to Wyre Forest District Council in April 2014, following approval by the Parish Council. Following this, the Plan will be subjected to an Independent Examination by a jointly appointed Examiner, to consider whether the Plan meets the Basic Conditions, and also any outstanding objections. Once the Neighbourhood Plan has been 'made' by Wyre Forest District Council the Council will determine all planning applications and other proposals in light of policies set out in the Plan. Similarly, the parish Council will look to apply the Plan's policies in it decision making. Applicants will be expected to demonstrate in their applications how they conform to the neighbourhood policies. The adjacent Parish Councils will be expected to have regard to the policies where they are consulted on development proposals within Chaddesley Corbett Parish".</del></p> <p><del>It is likely that the Examiner will recommend further (hopefully minor) changes, before the Plan is subjected to a local Referendum. A straight majority vote (50% of turnout +1) of those on the Electoral Register will be required, before the District Council may "make" the Plan. The Neighbourhood Plan will then be used to help determine planning decisions in the Parish alongside District and National Planning Policies. "Wyre Forest District Council and Chaddesley Corbett Parish Council will work together to monitor progress on the Neighbourhood Plan. They will bring forward proposals to review the Plan as necessary during the plan period following procedures for review as may be set out in neighbourhood planning regulations applying at the time."</del></p>	recommendations 27A and 27B of the Examiner's Report.
Throughout Document	Revise paragraph numbering to ensure that all paragraphs have a paragraph number and to remove duplicate paragraph numbers as well as incorporating consequential amendments to paragraph numbering arising from changes set out above.	For consistency.

3.2 The District Council has considered whether to extend the area in which the referendum is to take place. Like the examiner, the City Council has decided that there is no reason to extend the Neighbourhood Plan area for the purpose of holding the referendum.

- 3.3 The examiner has concluded that with the minor modifications made the Plan meets the Basic Conditions and other relevant legal requirements. The District Council concurs with this view. Therefore to meet the requirements of the Localism Act 2011 a referendum which poses the question 'Do you want Wyre Forest District Council to use the Neighbourhood Plan for Chaddesley Corbett to help it decide planning applications in the neighbourhood area?' will be held in Chaddesley Corbett Parish.
- 3.4 The date on which the referendum will take place is agreed as 11 September 2014.
