

Rock 1871 Census

District 7

Part of the Parish of Rock comprised within and including the Alton Division

Enumerator Mr Richard Drinkwater

[This enumerator seems to have been a maverick. Not only is his handwriting pretty slovenly and difficult to translate but he has used the right hand col (blind, lunatic etc) to fill with, mostly "Rock" or "Far Forest" etc which seems meaningless. He has also described a good many women as "Labourer" which elsewhere is virtually unheard of. And there are no widows in the "condition as to marriage" col. Even women he has listed as "widow" under the "relationship to head" col, he has called "unmarried" in the condition col. On p13 he has a 5 y.o. and a 1 y.o. down as "labourers"! 18 Labourers in a row!]
