The Order will be made and come into effect on a date no earlier than 7th April 2015 (to reflect the commencement of works) provided that the Solicitor of the Council is satisfied that the developer has entered into a satisfactory development agreement with the Council. The effect of the Order will be as follows:

1. Revoking all previous off-street car parking orders on the date that the new Order comes into effect.
2. Reducing the area of the Dog Lane Surface Vehicle Park from 200 spaces to 102 and amending the boundary to reflect the reduced area and to add an additional area which will provide 33 spaces.

**ROAD TRAFFIC REGULATION ACT 1984
THE WYRE FOREST DISTRICT COUNCIL (OFF-STREET PARKING PLACES)
ORDER 2015**

**Statement of Reasons
Dog Lane Car Park**

1. In accordance with the decision of the Cabinet dated 18th September 2012 and subject to paragraph 2 below, Wyre Forest District Council is proposing to transfer an area of land in order to facilitate the development of the Dog Lane Medical Centre.
2. The land being transferred is subject to the Council's current off street parking places order and provides 98 parking spaces. The transfer is conditional upon the land being removed from the Order. It is therefore proposed that the current order is revoked and a new order made varying the area of the current Dog Lane car park. Parking spaces will be reduced from 200 to 102.
3. To minimise any shortage of car parking spaces, an additional area of land is being added to the car park which will provide 33 spaces.
4. The attached plans show the current and proposed area of the car park.
