C.37 Apologies for Absence

Apologies for absence were received from Councillors: S J M Clee, J R Desmond, H E Dyke and P Dyke.

C.38 Declarations of Interests by Members

There were no declarations of interest.

C.39 Minutes

Decision: The minutes of the meeting held on 27th July 2016 be confirmed as a correct record and signed by the Chairman.

C.40 Public Participation

In accordance with the Council’s scheme for public participation at meetings of Full Council, the following member of the public addressed the meeting at this point:

Councillor Sheridan Tranter, Chairman, Hartlebury Parish Council.

I am grateful for this opportunity to speak at this meeting. I am Chair of Hartlebury Parish Council and have a number of concerns regarding the various issues recorded in Agenda Item No. 12.
There has been no dialogue whatsoever with Hartlebury Parish Council and neither has there been any discussions with Wychavon District Council. This lack of transparency is extremely regrettable and difficult to understand.

The next meeting of Hartlebury Parish Council is on Tuesday 4th October where this will be on the agenda for full discussion and this information will be promulgated to the communities involved. I am most concerned that Mark Garnier MP has stated that the only difference would be ‘boundary change’ whilst the information in the agenda appears to differ with that by stating that Wyre Forest would add Hartlebury to Wyre Forest District Council.

The Parish Council will need to know what advantage this proposal would possibly be to the parish of Hartlebury and what advantage is perceived there would be to Wyre Forest District Council. There are numerous implications which may be to the detriment of this community. I therefore would ask that more time and consideration is taken by this committee before making any decisions tonight therefore I would ask for it to be deferred.

C.41 Questions

Seven questions had been submitted in accordance with Standing Order A5 by Members of the Council.

Question from Councillor N Knowles to the Leader of the Council

Given that the average wage of people living in Wyre Forest is around £19,000 each year, it is not, perhaps, likely that tenants living in the Housing Association sector might incur the Government’s proposed £1,000 “Pay to Stay” rent rise from next April for household incomes of more than £31,000 (or £40,000 in London) aimed at getting tenants to pay market rate rents, but Councils like Wyre Forest would have to write to tenants to discover their household incomes for a decision on their obligation to pay the extra £1,000 on their rents, an extra cost for Council and perhaps no help in building more social housing. Will the administration comment on this Government policy?

Answer from the Cabinet Member for Transformation

Two questions in here and the first one I can answer very simply with a no. Councils like us will not have to write to tenants because we are not the social housing provider: it would fall on the registered provider of social housing. It is likely that very few tenants in Wyre Forest would have to pay the extra £1000, however the policy is not a compulsory scheme that those registered providers have to abide by.

As far as commenting on the government’s policy which I think is your second question, the whole point of the policy is that people who can pay more for their social housing should do so and in fact rather than encouraging the building of more social housing this policy seems to be
Agenda Item No. 4

aimed at encouraging those who earn more than £31,000 to consider other options. I personally earn less than £31,000 from my employment and I consider myself quite affluent, I think it’s reasonable for people who earn more than I do to be encouraged by this policy to look to other places to live; private accommodation and also to look to buying their own property because they are being asked to pay a fair market price that frees up social housing for the more needy and that is where the government is aiming this policy, to free up more social housing for those who genuinely need it because they are on a low income.

Supplementary question from Councillor N Knowles

I assume that, because you’re in favour of this policy, your emphasis would not be on the council and / or the local authority’s preferred option i.e. with Wyre Forest Community Housing from actually building more houses. Wouldn’t you agree that it’s a diversion from what we should be doing i.e. by writing to people asking for their wages whether it comes from Wyre Forest Community Housing or us? It’s just inflicting an extra £1,000 on people who certainly around here cannot afford it.

Supplementary answer from the Cabinet Member for Transformation

I think it is dangerous to conflate two things, one is building more social housing. I am certainly not against building more social housing. However this is aimed at getting people to pay a fair market rent for the social housing which they are tenants of. I might say people are by definition able to pay a fair market rent if their income is £31,000 and above out of London and £40,000 or above in London so your statement that people can’t afford it because they are social tenants is incorrect. The fact that they are social tenants does not necessarily mean that they can’t afford to pay a fair market rent. If they can afford it they should pay that fair market rent whether they are in social housing or in the private market. If they can’t afford to pay, those are the people who are most in need of supported social housing.

Question from Councillor N Knowles to the Leader of the Council

Does the Leader have a view or comment on the Boundary Commission proposal to include Hartlebury as part of the new Wyre Forest parliamentary constituency?

Answer from the Leader of the Council

In short yes, about five minutes’ worth, and if you can wait and bear with me until agenda item 12 I will comment on the proposals at that stage.

Question from Councillor J Shaw to the Cabinet Member for Operational Services

Whilst it is acknowledged that figures for the recycling of household waste may not always be a full comparison of like-with-like, why can’t Wyre Forest achieve a similar level of performance as Welsh authorities: average 60%; best, Ceredigion, 68%; worst, Blaenau Gwent, 49%?
Agenda Item No. 4

Answer from the Cabinet Member for Operational Services

Councillor Shaw’s question is trying to compare apples and pears. There is a different and much more expensive approach to recycling in Wales and the government in England is not funding councils to achieve such high recycling rates. I have spoken with Ceredigion County Council’s Waste Services Manager and their recycling achievement figures of 68% include garden waste, street sweepings and food waste. They do not claim household recycling achievements; they use the term municipal waste recycling.

It is important to note that the devolved Welsh government has a zero waste strategy and has pumped millions of pounds into their authorities to achieve high efficiency results. We spend less than £39.00 per household per year in Wyre Forest; authorities in Wales are spending three times that.

Our targets are pooled with all other authorities in Worcestershire and Herefordshire. Most local authorities’ dry recycling (green bin) rates in England will be between 25% - 29% with the remainder built up from garden waste: for 2015-16 our green bin recycling rate was 27%.

Herefordshire and Worcestershire have agreed targets of 50% by 2020 for dry recycling and composting combined. When the energy from waste plant at Hartlebury is in operation, 78% of the total waste will either be recovered or recycled, with only 22% going to landfill. The Council is making every effort to increase the uptake of brown bins to improve our composting levels. A recent review of all Worcestershire District Councils placed Wyre Forest’s waste services as the cheapest across the County.

Supplementary question from Councillor J Shaw

Would the Cabinet Member undertake to look at a similar authority to this one, Stratford-on-Avon District Council, which has a recycling rate of 59%. If we find we are not doing certain types of recycling could we not look at taking on some of the services which other similar district councils provide and reach much better recycling targets.

Supplementary question from the Cabinet Member for Operational Services

I will undertake to investigate along those lines.

Question from Councillor J Shaw to the Leader of the Council

Lord Porter, (Conservative), Chairman of the Local Government Association, has expressed the LGA’s concern that the Homelessness Reduction Bill currently before Parliament increases the duties of councils by creating new categories of person who must be assisted, without providing a concomitant increase in funding. He explains how councils struggle to meet their existing obligations and observes that, under the existing criteria, numbers seeking help are rising. He expresses the LGA’s view that the government should address the increasing gap between household incomes and rising rents, especially in the privately rented sector, and calls for the construction of greatly increased numbers of
Will the Leader of the Council bring Lord Porter’s statement to the attention of Mark Garnier, MP, and inform us of his response?

(Full copy of the LGA statement provided to Leader)

**Answer from the Cabinet Member for Health, Well-being and Housing**

Yes I will definitely make Mark Garnier MP aware of your question and will circulate his response to Council.

**Question from Councillor F Oborski MBE to the Cabinet Member for Health, Well-being and Housing**

Could the Cabinet Member tell me: How many events have been run by WFDC at Kidderminster Town Hall so far in this Financial Year? For each event what was the cost of the artistes, what were the additional costs (lighting, sound, advertising etc), what was the selling price of the tickets, how many tickets were sold for each event?

**Answer from the Cabinet Member for Health, Well-being and Housing**

There have been two events so far in this financial year, the Beer Festival and the Dreamers, there are eight more programmed between 1st October 2016 to 25th February 2017. The Beer Festival realised a profit of £500 and despite disappointing ticket sales the Dreamers event realised a surplus of £25. Last year’s events realised an overall net income of £5,336.

The Cabinet Member offered to give Councillor Oborski a detailed breakdown of the events after the meeting.

**Supplementary question from Councillor F Oborski MBE**

Is the Cabinet Member satisfied that our staff have the commercial marketing expertise necessary to make successful and profitable events at the Town Hall?

**Supplementary answer from the Cabinet Member for Health, Well-being and Housing**

Yes I am. It is a learning curve with every event organised and as each event has made a profit I feel they are doing a very good job and they are putting on a number of varied events. They are making the most of the website and facebook to promote the events and making it easier to purchase tickets on-line.

**Question from Councillor S Miah to the Cabinet Member for Operational Services**

If, as seems likely, Kidderminster Town Council refuses to take on the maintenance and operation of the St Georges Park paddling pool, will the cabinet member agree to continue to fund the operation of the pool which is a much loved and well used facility serving a deprived area of
Kidderminster?

**Answer from the Cabinet Member for Operational Services**

The District Council can no longer afford to support the operation of an outmoded paddling pool when there is a modern splash play facility in Brinton Park, serving Kidderminster and the wider District. If the Town Council does not wish to take on the cost, the paddling pool would be decommissioned. The District Council is presently spending around £35,000 annually on the upkeep of the three paddling pools in the District which it cannot continue to cover.

**Supplementary question from Councillor S Miah**

I feel angry that none of the Councils is willing to take on the cost, the leisure centre has moved further away which was an easily accessible amenity. Would the Cabinet Member meet with me, parents and residents and explain why the paddling pool will not be funded and kept open?

**Supplementary answer from the Cabinet Member for Operational Services**

I gave you the answer in my first reply. I must remind you that it is not just St George’s park: it is all paddling pools across the District.

**Question from Councillor F Oborski MBE to the Cabinet Member for Operational Services**

Traders and shoppers in Kidderminster have faced huge disruption during the ongoing Town Centre Regeneration Works which were originally intended to be completed by December 2015, then by April 2016 and now, apparently during October 2016.

Shoppers and Traders in Bewdley were similarly inconvenienced by the work on the new Medical Centre and the disruption to traffic and trade caused this summer by the work on St Anne's Church in Load St.

On page 70 of the Kidderminster Shuttle of Sept 10th this Council announced Increases to Car Park Charges due to come into effect on October 16th.

In the light of the effects on traders and shoppers caused by all these works does he not feel that the Council should show that it understands the financial impacts of these works by postponing these Car Park Charge increases?

**Answer from the Cabinet Member for Operational Services**

I do not feel that there is any case for this Council to postpone the announced car park charges which were approved by the Cabinet last December. Car park usage has not declined as a result of the improvement works in Kidderminster Town Centre, and the temporary reduction in car parking capacity in Bewdley will be addressed once the works to Load Street car park are completed, which will result in an increase in the overall car parking capacity. There is no proven link between the number of people using our car parks and the level of trade in
particular businesses.

**Agenda Item No. 4**

C.42  **Chairman’s Communications**

The Council received a list of functions attended by the Chairman or Vice-Chairman since the Council’s last meeting.

C.43  **Leader of the Council Announcements**

The Leader referred Members to his tabled report. He announced that with effect from 29th September 2016, he was making changes to membership and portfolios within his Cabinet.

He advised Council that Councillor T Onslow had stood down from the Cabinet to concentrate on her role as Deputy Police and Crime Commissioner for West Mercia, to which she was appointed after joining the Cabinet in May. Councillor I Hardiman would remain as Deputy Leader and take over the portfolio as Cabinet Member for Planning and Economic Regeneration. Councillor R Vale would be appointed as Cabinet Member for Operational Services.

The Leader thanked Councillor Onslow for her valued contribution to the work of the Cabinet since May.

C.44  **Motions Submitted under Standing Orders**

**One motion had been received in accordance with Standing Orders (Section 7, 4.1).**

**Motion from Councillor J Shaw, Labour Group**

While Council welcomes the postponement of a final decision, it notes with alarm the government's planned £170m reduction in funding for community pharmacies. Council notes that key payments for pharmacies would be phased out, leading to the closure of as many as 3,000 retail outlets, with a consequent increased focus on warehouse dispensing and online services.

We believe that the Government’s plans threaten patient access to pharmacies and pharmacy services in Wyre Forest. Our local pharmacies are at risk of closure, or being forced to cut services such as free delivery of prescription drugs, and advice on medicines and family planning. Such developments would put more pressure on GPs and hospitals, have an impact on social care services, and be at odds with strong professional sentiment to increase the use of pharmacists.

Therefore, we call on the government to abandon these cuts and maintain a fully-funded community pharmacy service, and request the Leader of the Council to write to Mark Garnier MP, Wyre Forest Clinical Commissioning Group, the Secretary of State for Health and NHS England, expressing this view.
Councillor Shaw presented the motion and stated that the government had announced that it had made its decision to reduce the funding with effect from 1st December 2016. He stressed the importance of the services proved by the community pharmacies and asked Members to support the motion.

The Cabinet Member for Health, Well-being and Housing tabled an amendment to the motion from the Conservative Group.

A robust debate on the amended motion took place and upon a vote, the amendment was agreed.

**Decision:** The following Conservative Group amendment to motion on Community Pharmacies be agreed:

While Council welcomes the postponement of a final decision about funding for community pharmacies, it acknowledges that there has been significant growth in the number of pharmacies from 9,748 in 2003 to 11,674 in March 2015, an increase of nearly 20%. Council welcomes the investment in modern pharmacy facilities in Wyre Forest, for example as part of new medical practices in Hume Street, Kidderminster and at the Kidderminster Medical Centre which opened in August. Council also acknowledges the important role that pharmacies play in community-based health services, that reduce pressure on other parts of the NHS and social care system.

Council recognises that, despite the real terms increase in funding over this Parliament, the NHS needs to continue to modernise and make efficiency savings and that the Government is right to review what role pharmacies can play in achieving this, including increased use of modern technology. Council believes that no public service can continue to use service delivery models from the 1970s or earlier.

Council welcomes the announcement by the Community Health and Social Care Minister David Mowat MP that the Government will spend time to make sure that the Department for Health is making the correct decision about reforms that are right for pharmacies, right for the NHS and right for the public more generally.

**Urgent Motions Submitted Under Standing Orders**

There were no urgent motions.

**Local Pay Arrangements, 2018-2022**

A report was considered from the Chief Executive which asked for authorisation for the Head of Paid Service to commence negotiations with the unions about local pay arrangements for the period 2018 to 2022, including potential changes to terms and conditions such as sickness pay.

The Cabinet Member for Resources presented the report and reminded
Members that the Council had local pay agreements in place for 2014 to 2018. He added that the local pay arrangements had avoided pay increase costs worth around £120,000 a year for the Council by 2017.

A robust debate ensued and several Members expressed concern over the possibility of imposing changes of staff who do not accept the proposals.

The Cabinet Member for Resources reiterated that the recommendations were to commence negotiations and a further report would be bought back to Council for approval. He added that the local pay arrangements had not only provided certainty to the Council in its financial strategy; it also gave staff the knowledge that they would receive a pay increase every year for the stated period.

**Decision:** The Council authorises the Head of Paid Service:

1. **to commence negotiations with the recognised unions about local pay arrangements for the period 2018 to 2022, including potential changes to terms and conditions such as sickness pay, in accordance with the broad remit set out in paragraph 4.7 of the report to Council;**

2. **to report back to Council to obtain approval of the finalised proposals so that they can be implemented with effect from 1 April 2018.**

**C.47 2018 Review of Parliamentary Constituencies**

A report was received from the Chief Executive which invited Council to consider and agree its response to the Boundary Commission for England’s initial proposals on the boundaries of Parliamentary constituencies.

The Leader of the Council led Members through the report and advised that the review was looking to reduce the size of the House of Commons from 650 members to 600. He added that their final reports had to be submitted by 1st October 2018. It was intended that the resulting changes would be implemented at the next general election in May 2020.

The Leader of the Council confirmed that out of courtesy he had written to the Leader of Wychavon District Council, the Ward Member for Hartlebury and the Chairman of the Parish Council, advising them that the item was on the agenda for consideration.

Members discussed the proposals in depth, and following a show of hands the recommended response was agreed.

**The Council SUPPORTS:**

1. **the retention of a constituency named “Wyre Forest” which will include the whole of the district of Wyre Forest and be wholly located within Worcestershire;**
2. the inclusion of Hartlebury in the Wyre Forest Parliamentary constituency;

3. if the current proposals of the Boundary Commission are implemented, a request for a review of local government boundaries by the Local Government Boundary Commission to consider the case for including Hartlebury in the district of Wyre Forest, on the basis that any such review would not involve or require a review of warding arrangements in the present Wyre Forest district area.

C.48 Policy and Budget Framework – Matters which require a decision by Council

Recommendations from the Overview and Scrutiny Committee, 8th September 2016

- Annual Report on Treasury Management Service and Actual Prudential Indicators 2015/16

Decision:

1. The actual 2015/16 prudential and treasury indicators be approved.

C.51 Conferment of Title of Honorary Alderman

On the recommendation of Cabinet at its meeting on 14th June 2016 to confer the title of Honorary Alderman upon former District Councillor:

Mike Kelly

in recognition of his outstanding service to the authority and the local community over many years, Councillor M J Hart, Leader of the Council, moved that:

(a) Pursuant to Section 249 of the Local Government Act 1972, the honour and title of “Honorary Alderman” be bestowed on Mike Kelly in grateful recognition of his eminent and distinguished service rendered to Habberley and Blakebrook Ward and Wyre Forest District Council over 34 years elected service.

(b) The common seal of the Council be affixed to a scroll conferring the title of Honorary Alderman upon Mike Kelly.

(c) A Badge of Office and scroll be presented to Mike Kelly.
Councillor M J Hart referred to the distinguished and unstinting service Mike Kelly had given to his fellow citizens of Kidderminster Town and the District of Wyre Forest. He added that the decisions Mike had made over last 34 years were always for the good of the residents he served, and he fully deserved the title of Honorary Alderman.

Councillor F M Oborski MBE, Deputy Leader of the Independent and Lib Dem Group, was honoured to second the proposal and referred to the former District Councillor Kelly as ‘Mr Kidderminster’, and passed on a message of congratulations from a former colleague, Brian Binley.

Councillor N Knowles, Leader of the Labour Party, supported the proposal and stated how proud the Labour Group were of former District Councillor Kelly for all the work he had done for the party and for the people of Wyre Forest over many years. He added the duties of the office of Honorary Alderman would be in safe hands and the compassion and care for others that former District Councillor Kelly had shown over the years would continue.

Councillor J Baker expressed how much he respected former District Councillor Kelly and that he fully deserved this title. He also thanked Mrs Chris Kelly for all the support she had given to her husband over the years.

Councillor M Rayner, Leader of the Independent Community and Health Concern Group, said that Mike Kelly had always been a well respected Member of the District Council and was proud that he was now a Member of the Kidderminster Town Council. She spoke of the kindness he had shown to her when she was first elected to the District Council and became a Charter Trustee.

Councillor D Little said that he was proud to have served on the Council many years ago with former District Councillor Kelly, and congratulated him on his honour.

Councillor N Gale spoke of the support former District Councillor Kelly had given her in her District Council role on the Community Housing Group Board and as a Charter Trustee. She was proud to serve alongside him on the Kidderminster Town Council and referred to his as one of life’s ‘people persons’ and congratulated him on his honour.

Councillor I Hardiman spoke of the thoughtfulness he had been shown by former District Councillor Kelly, when he was elected to the Blakebrook and Habberley South Ward in 2010, and wished him well for the future.

Councillor J Shaw, spoke of an incident in 1990 when former District Councillor Kelly had been involved in a very serious accident, and to make a recovery as he did and continue to serve the community as he does shows his strength of character. He added that he had always served with integrity of purpose and he fully deserved the honour which had been bestowed on him, and he is - as he has always been - a man of the people.
Agenda Item No. 4

Councillor T Onslow said that Mike Kelly was an absolute gentleman and passed on her congratulations to him.

Councillor N Desmond commended former District Councillor Kelly on his outstanding public service career which spanned over 40 years. He referred to him as a formidable political opponent, a man of integrity and he fully deserved the title and there would be no doubt that he would be an outstanding Honorary Alderman for the District of Wyre Forest.

Councillor A Hingley spoke of a trip to the Kidderminster twinning town of Husum in 2005, where it was apparent former District Councillor Kelly had forged friendships with the twin town and was pleased that he was serving on the newly created Kidderminster Town Council, which he had campaigned for over the past 40 years. She passed on her congratulations and thanked him for all he had done for Kidderminster.

The Chief Executive spoke on behalf of present and former staff of Wyre Forest District Council to echo the comments that had already been made and passed on their congratulations to him.

He read out a letter from the former Chief Executive of the Council, Stan Baldwin, which made particular reference to the major contributions former District Councillor Kelly had made in the leisure services area where he had gained a regional reputation for his innovative leadership.

Having put the motion to Council, the Chairman declared that it had been CARRIED UNANIMOUSLY.

The Chairman presented Honorary Alderman Kelly with his Badge of Office and a Scroll, and invited him to address the Council.

Honorary Alderman Kelly thanked the Council for conferring the title on him and was humbled by all the kind words which had been said. He stated that he first was elected to Kidderminster Borough Council in 1970 and the people he met over the years had all had an influence on him in one way or another.

He said that he had enjoyed his time on the District Council and thought long and hard about accepting the title. He thanked his wife Chris, for all the support she had given him over the years, and thanked the Council for bestowing the title upon him.

The Chairman invited Honoray Alderman Kelly, Members, Officers and guests to a reception and declared the special meeting closed at 8.55pm.

QUESTIONS TO COUNCIL

1. **Question from Councillor N Knowles to the Leader of the Council**

   Given it is the Administration’s Policy to scrutinize our staff and employees terms, conditions and wages in an effort to save money, would the Leader agree that the Chief Executive, should keep a record (perhaps kept by admin staff) of each time he leaves Council HQ to attend outside meetings, seminars and functions etc., so that a time - crucial log of his activities on behalf of WFDC can help to build a picture of imperative “outside” meetings and events attended, and allow Councillors, staff and others to best appreciate their availability to address and solve problems and issues in-house, and absolutely ensure “best value” in our collective efforts to close the financial gap between income and expenditure, and allow everyone to appreciate that Chief Officer time and the time of senior employees is valued equally.

2. **Question from Councillor J Shaw to the Leader of the Council**

   Will you invite to another Members’ Briefing in this municipal year those councillors who represent this council on Community Housing boards, but did not take the opportunity, in person or in writing, to inform councillors of their activities on our behalf at the Briefing held on 13th October 2016?

3. **Question from Councillor J Shaw to the Leader of the Council**

   Does the Leader of the Council agree with the unanimous decision of Stourport Town Council to oppose the imposition of the Council Tax referendum principle on town and parish councils, as suggested in a recent central government consultation paper?

1. **PURPOSE OF REPORT**

1.1 To consider a number of constitutional issues including appointments that have arisen since the last meeting of Council.

2. **RECOMMENDATION**

The Council is asked to:

2.1 Appoint a member as Vice-Chairman of the Council, to serve for the remainder of the municipal year 2016/17;

2.2 Agree a change to the appointment of Vice-Chairman of the Audit Committee as set out in paragraph 4.1 below, with immediate effect;

2.3 Agree the revised rules on public speaking in section 7 (council procedure rules) of the constitution as set out in appendix 1;

2.4 Agree the changes to dates of Audit Committee meetings in the period May to July 2017, as set out in paragraph 4.3 below.

3. **BACKGROUND**

3.1 Under the Local Government Act 2000 as amended by the Public Involvement in Health Act 2007, the Leader of the Council is responsible for appointments to the Cabinet and allocating responsibilities to Cabinet members. On 28 September 2016, he announced the appointment of Councillor Rebecca Vale to the Cabinet with effect from 29 September and on 14 November 2016 he announced the appointment of Councillor Juliet Smith to the Cabinet.

3.2 At the point when she became a member of the Cabinet, Councillor Vale was no longer able to continue as vice-chairman of the Audit Committee, a role to which Council had appointed her on 27 July 2016. Likewise, on appointment to the Cabinet, Councillor Juliet Smith gave up her role as Vice Chairman of the Council to which she had been elected at the Annual General Meeting in May 2016.
Agenda Item No. 11

3.3 The vacancies now fall to Council to fill, as it is Council’s role to elect a Chairman and Vice Chairman of the Council, and to appoint the Chairmen and Vice Chairmen of the Committees it has established.

3.4 The rules on public speaking at meetings of the Council have not been reviewed for many years and it is appropriate to update them to allow speakers who wish to raise points in respect of agenda items.

3.5 The dates for meetings of committees until July 2017 were set as part of the municipal calendar at the AGM last May. The statutory timetable for preparation and approval of accounts is being shortened. The new arrangements bite formally in 2018 for the 2017-18 accounts but the Council’s external auditor and the Chief Finance Officer wish to trial the speedier process in 2017 so that the Council is well prepared for 2018. It is proposed to change the dates for Audit Committee meetings in the period from May to July 2017 to reflect the new timetable.

4. KEY ISSUES

4.1 The following change to Vice-chairman of the Audit Committee will be proposed and Council is invited to approve it:

<table>
<thead>
<tr>
<th>Committee</th>
<th>Appointment made on 27 July</th>
<th>Revised appointment submitted for approval by Council, 14 December</th>
</tr>
</thead>
<tbody>
<tr>
<td>Audit Committee</td>
<td>Vice-chairman: Rebecca Vale</td>
<td>Vice-chairman: Tracey Onslow</td>
</tr>
</tbody>
</table>

4.2 There are various ways in which the Council is required or chooses to provide opportunities for the public to know about and influence its business including decision-making. While not a requirement of legislation, public speaking is one of the most important ways in which the Council allows members of the public to be involved in its business, addressing Councillors directly about matters of local concern and issues that are relevant to the Council’s powers and duties. The current rules in paragraph 3.13 of section 7 (council procedure rules) of the constitution are rather imprecise. For example, they give no guidance about what happens where an issue has arisen after the date for notification of a request to address Council or Cabinet. In the light of experience of the operation of the rules, it is therefore proposed to amend them as set out in italics in appendix 1.

4.3 The changes to dates of the Audit Committee would be as follows:

Remove the current planned date of Monday 26 June 2017

Add meetings on Wednesday 31 May 2017 and Monday 31 July 2017, with approval of the audited accounts expected at the second meeting.

5. FINANCIAL IMPLICATIONS

5.1 There are no financial implications arising from this report.

6. LEGAL AND POLICY IMPLICATIONS

6.1 Section 5 of the Local Government Act 1972 requires the Council to appoint a Vice-Chairman who, unless he resigns or becomes disqualified, serves until
immediately after election of the Chairman at the next annual general meeting. Paragraphs 1.3(iii) and 3.4 of section 7 (standing orders) of the constitution set out the procedural arrangements for voting on the appointment, in the event that there are two or more candidates.

6.2 There is no legal requirement to appoint a vice-chairman of a committee although it is common practice to do so. Any appointment does not, in itself, affect the political balance on a committee i.e. whoever the Council appoints as vice-chairman of a committee counts towards a political group’s allocation of seats on that committee.

6.3 There are no legal requirements governing public speaking at meetings of the Council: it falls to the Council to regulate them by its standing orders as it sees fit, under paragraph 42 of Schedule 12 to the 1972 Act.

6.4 The timetable for publication of audited accounts is set by regulation 10 of the Accounts and Audit Regulations 2015. Compliance with the deadline of 31 July will be required for the accounts for 2017-18 onwards.

7. EQUALITY IMPACT NEEDS ASSESSMENT

7.1 An initial equality impact assessment has been undertaken and it is considered that there are no discernible impacts on the six equality strands.

8. RISK MANAGEMENT

8.1 There are no significant risks associated with the proposed revised arrangements for public speaking and the appointments. The changes to Audit Committee meetings allow trialling of the shorter timetable for closure and audit of the Council’s accounts before formal compliance is required in 2018.

9. CONCLUSION

9.1 The proposals contained in this report complete the political structure of the Council; introduce clarified arrangements for public speaking at meetings of the Council and Cabinet; and ensure appropriate trialling of the shorter timetable for closure of accounts.

1. PURPOSE OF REPORT

1.1 To recommend some changes to the pattern of polling places and polling districts in the Wyre Forest District following the recent review.

2. RECOMMENDATION

2.1 The Council is asked to DECIDE that:

2.2 The changes to the Polling Places and Polling Districts in the Wyre Forest District as set out in Paragraph 4.1 (Chart 1 and Chart 2) be made from the ordinary elections in May 2017.

3. BACKGROUND

3.1 The Electoral Registration and Administration Act 2013 introduced a change to the timing of compulsory reviews of UK Parliamentary polling districts and polling places. The last such review in Wyre Forest was undertaken in October 2014 following the publication of the Local Government Boundary’s Commission’s final recommendations for the Electoral Review of the District. The results of the polling places and polling districts review were agreed by Council on 10 December 2014. Copies of the report and the decision can be found at www.wyreforest.gov.uk/council/meetings/main.htm A further review was undertaken in September 2015 which was specific to Kidderminster Foreign Parish. The outcome of that review can be found at http://www.wyreforest.gov.uk/council/docs/doc50540_20151209_council_agenda.pdf

3.2 In the Returning Officer’s post elections / referendum (May and June 2016) report to Full Council on 27 July 2016, it was reported that there may need to be a polling places review in one or two cases where, in the longer term, buildings will cease to be available as a result of redevelopment plans, as set out in Chart 1. As part of this review, consideration would also be given to any minor
Agenda Item No. 12

adjustments to polling district boundaries. Members were asked to notify the Electoral Registration Officer by 31 August 2016 of any such minor adjustments they would like to see considered.

3.3 The responses received for minor adjustments to polling district boundaries are set out in Chart 2. However it should be noted that a further minor adjustment concerning the polling district for Imperial Gardens, Kidderminster was received after the consultation had commenced. It will therefore be considered in the next review of polling districts, whenever that is undertaken.

4. PROPOSALS IN THE REVIEW

4.1 The proposals made in this review involved changes to Offmore Community Centre and Stourport High School Sixth Form Centre as Polling Places as it is understood they will cease to be available due to redevelopment plans. The review also proposed to correct an anomaly in a polling district boundary in the Offmore & Comberton Ward. The proposed changes are detailed in the charts below, however the full proposals are set out in the consultation document at http://www.wyreforestdc.gov.uk/the-council/elections-and-voting/electoral-register/polling-districts-and-polling-places.aspx The proposed changes would be implemented from May 2017 onwards.

4.2 Consultation with the public and key stakeholders (including Stourport High School and Sixth Form College and the Community Housing Group as the bodies responsible for the two polling places respectively) commenced on 6 September 2016 and concluded at 5pm on 27 October 2016. A copy of the consultation document was made available on the Council’s website, at the Worcestershire Hub in Kidderminster and Wyre Forest House, Finepoint Way, Kidderminster and in the Libraries in Stourport-on-Severn and Kidderminster. A Public Notice and Press Release were published encouraging residents and interested bodies to submit their views. Full copies of the Polling Places and Polling Districts Consultation Document and the comments received during the consultation period can be accessed from [http://www.wyreforestdc.gov.uk/the-council/elections-and-voting/electoral-register/polling-districts-and-polling-places.aspx](http://www.wyreforestdc.gov.uk/the-council/elections-and-voting/electoral-register/polling-districts-and-polling-places.aspx).

4.3 Four consultation responses were received from the following stakeholders: The (Acting) Returning Officer - Wyre Forest Parliamentary Constituency; two District councillors from the Offmore & Comberton Ward (with one councillor also representing the County Division of St Chads) and a resident from the Offmore & Comberton Ward. A copy of the consultation responses is in Appendix A.

5. **KEY ISSUES**

5.1 All consultation responses other than the one received from the Offmore and Comberton Resident were fully supportive of the particular proposals they commented on. The concerns raised by the resident were around the appropriateness of a Church to be used as a Polling Place and whether Offmore Primary School would be a more suitable alternative.

5.2 It should be noted that the appropriateness of a venue to be used as a polling place is reviewed against a robust list of criteria issued by the Electoral Commission. Subject to satisfying the criteria, it is then down to the church to decide whether they wish for their facility to be used for this purpose. The consultation paper was sent to Offmore Evangelical Church and they have raised no objection to the proposal to designate the Church as a polling place. The use of schools as Polling Places is avoided wherever possible due to the potential disruption it causes to the learning environment, and also the safeguarding standards that schools have to be responsible for can be difficult to meet if there is no separate outbuilding and access to the polling station.
6. **NEXT STEPS**

6.1 If the proposed changes for this Review are supported by Council, steps will be taken to promote awareness of the change of arrangements for the affected electors and of the availability and convenience of postal voting.

7. **FINANCIAL IMPLICATIONS**

7.1 There are no new financial implications arising from the proposed changes as set out in Paragraph 4.1 (Chart 1 and Chart 2).

8. **LEGAL AND POLICY IMPLICATIONS**

8.1 Section 18B(4)(e) of the Representation of People Act 1983 states the polling place for a polling district must be small enough to indicate to electors in different parts of the district how they will be able to reach the polling station.

8.2 A polling district is a geographical area created by the sub division of a constituency, ward or division into smaller parts.

8.3 The Electoral Commission uses the following definitions:

- A polling place is defined as the building or area in which a polling station will be selected by the (Acting) Returning Officer.
- A polling station is the room or area within the polling place where voting takes place. Unlike polling districts and polling places which are fixed by the local authority, polling stations are chosen by the (Acting) Returning Officer for the election.

9. **EQUALITY IMPACT NEEDS ASSESSMENT**

9.1 The recommendation will enable the Council to meet its requirements under the Disability Discrimination Act and subsequent legislation by ensuring that access to polling stations meets the needs of electors.

10. **RISK MANAGEMENT**

10.1 There are no risk management issues identified with this report.

11. **CONCLUSION**

11.1 The Council has undertaken a thorough review in consultation with key stakeholders to address the specific issues raised for the Offmore & Comberton and Mitton Wards respectively, which were identified following the elections and referendum in May and June this year.

12. **CONSULTEES**

In OFC1 all residents in Queen Elizabeth Rd need to be able to vote at St Chad's so those properties currently placed in OFC3 need to be moved into OFC1
Similarly those properties in Byron Close, currently misplaced into OFC1 need to be moved into OFC3 and be able to vote at the Offmore Polling Station

Dear Alison

CONSULTATION ON POLLING DISTRICTS AND POLLING PLACES – DISTRICT OF WYRE FOREST

Thank you for consulting me about this review. I am replying in my role as (Acting) Returning Officer for the Parliamentary constituency of Wyre Forest.

I agree with the proposals made in this review which involve changes to two polling places (Offmore Community Centre and Stourport High School Sixth Form Centre) due to these buildings ceasing to be available in the short to medium term as a result of redevelopment plans. These polling places are located in the Offmore & Comberton and Mitton Wards respectively.

I also agree with the proposed polling district change to a limited number of properties in Queen Elizabeth Road and Bryon Close in the Offmore & Comberton Ward. The changes will align the properties with the old OF-A (Queen Elizabeth Road) and OF-B (Bryon Close) polling districts, which are now OFC-1 and OFC-3 respectively.

My views on the proposed polling places and polling districts are identified as follows:

<td>Offmore Evangelical Church, Gray Close, Offmore, Kidderminster, DY10 3YE</td>
<td>I support the designation of Offmore Evangelical Church to replace Offmore Community Centre, which is due to be redeveloped. Its facilities are considered to be ideal to accommodate a double polling station for an electorate of approximately 3,993 and serving the polling districts of OFC-3 and OFC-4. There is a purpose built disabled ramp entrance and the building is located less than 100 yards from the current polling place, which will minimise disruption and confusion for voters in this area. At present it is not known whether the car park which adjoins the Evangelical Church will be redeveloped as part of the plans for Offmore Community Centre. However, there is plenty of nearby on street parking if the current car park became unavailable for use.</td>

<td>I also support the designation of Stourport High School and Sixth Form College to replace Stourport High School Sixth Form Centre, which is being redeveloped over the coming months. By designating the whole school complex rather than a specific building (as is the current case with the Sixth Form Centre) it provides greater flexibility for the Returning Officer to use the most appropriate facilities at the school. It also better supports the school when at various times of the academic year (e.g. public examinations) certain buildings or rooms would be unavailable.</td>

This will mean that the electors living at these properties will go back to voting at St Chads Church Hall on the Comberton estate, which from a geographic perspective is more convenient. It will mean that all electors who were previously in the OF-A polling District will be together in OFC-1.</td>

<td>I also support the proposal to add the following 4 properties in Byron Close, Kidderminster (No’s 14, 16, 18 &amp; 20) to the OFC-3 polling district to enable the electors to go to the most conveniently located polling place. Electors living at these properties will return to voting at the Offmore polling station which, subject to one of the other proposals being agreed, will be Offmore Evangelical Church. The proposed polling place will be 7 metres closer for these electors than the distance they travel to St Chads Church Hall which is their current polling station.</td>

As required by the legislation, I set out information in the appendix about the location and numbers of polling stations that I would propose if the polling places set out in the consultation paper and reflected in my comments above were confirmed. I look forward to being notified of the Council’s decisions about this review in due course.

Yours sincerely,

Ian Miller

Resident of Offmore & Comberton Ward

Received – 20 October 2016

I am particularly interested in the area around Gray’s Close as that is where I live (Offmore & Comberton ward). I would like to make comments as below regarding the proposals by Wyre Forest District Council to redevelop on this site.

- Is it really appropriate to use a church for voting purposes? Is this a ‘fait accompli’ by the Wyre Forest District Council in favour of this redevelopment but disregarding any objections which may have been raised by the Offmore Evangelical Church?

- In the tabulated review document it is stated that there is no guarantee that there will be sufficient parking on the existing car park at the Community Centre/Offmore Evangelical Church in Gray’s Close and that on-road parking would be adequate. This raises safety issues especially if it is a polling day.

- The choice of Offmore Primary School may be a better choice for relocation of the Polling Station. It is a bigger, more appropriate building and it has a larger car park. (note: Many schools are used for this purpose instead of churches, but if they are the church halls may be used.)

- Executive Summary - surely the decision to redevelop the community centre in Gray’s Close and relocate the polling station has not been made purely on the fact that a few residents now belong in a different polling district!

It should be noted that comments made specifically about the redevelopment of the Offmore Community Centre site which are not related to this review, have not been included above. The site belongs to the Community Housing Group and not Wyre Forest District Council.
