Wyre Forest District Local Plan Review Preferred Options

Consultation Plan

1.0 Background

1.1 It is a cornerstone of the planning system that communities and stakeholders should be able to influence the matters addressed in planning policy. The National Planning Policy Framework (NPPF) published in March 2012 reinforces the importance of community involvement through the first of its Core Planning principles: “planning should be genuinely plan-led, empowering local people to shape their surroundings with succinct local and neighbourhood plans setting out a positive vision for the future of the area”. Between Thursday 15 June and Monday 14 August 2017 the District Council will undertake a consultation on the Preferred Options. The Preferred Options consultation is the second stage in the Local Plan Review process. Responses will be used to help develop the Pre-Submission Plan which will be put out for consultation in early 2018.

2.0 Adopted Statement of Community Involvement Requirements

2.1 The District Council first adopted its Statement of Community Involvement (SCI) in 2006. Following changes in legislation the SCI was updated, revised and adopted in February 2013. The SCI sets out the Council’s policy for involving the community in the planning process. It also details how the Council intends to involve all sections of the community and provides guidelines and minimum standards to involve the community, interest groups and stakeholders in the production of Local Development Documents. The statement provides guidance on:

- How people will have the chance to contribute their ideas, and the process for considering and responding to their views.
- How people will get the chance to participate in developing proposals and options.
- How the District Council will seek to provide feedback to keep the community informed on progress and outcomes.

2.2 The District Council places great emphasis on involving the community in planning issues and believes the following benefits can be achieved:

- It will help strengthen the evidence base for local plans and neighbourhood development plans.
- It will help foster community commitment to the future development of the area.
- It promotes a sense of ownership and strengthens the delivery of projects. The involvement of communities at an early stage helps to resolve issues.
3.0 The Duty to Cooperate

3.1 The duty to cooperate was created in the Localism Act 2011, and amends the Planning and Compulsory Purchase Act 2004. It places a legal duty on local planning authorities, county councils in England and public bodies to engage constructively, actively and on an ongoing basis to maximise the effectiveness of Local Plan preparation in the context of strategic cross boundary matters.

3.2 In order to fulfil the requirements of the Duty to Cooperate, all neighbouring authorities and consultation bodies covered by the Duty to Cooperate will receive a separate form to complete which will allow any concerns to be raised. Where there are no relevant issues the completed forms will provide an audit trail to demonstrate that the Duty has been fully considered and complied with. Where cross-boundary issues are identified, officers will offer to meet with each of the neighbouring authorities or organisations concerned to discuss the issues and how the Plan can best address them.

4.0 Targeting Consultation and Methods

4.1 The District Council will actively seek to engage all community groups within the Wyre Forest District in preparing planning policy. Local planning authorities are required to consult specific consultation bodies which they consider may have an interest in the proposed planning policy document and the general consultation bodies which it considers are appropriate. A list of the specific consultees for Wyre Forest District is set out in Appendix A to this document.

4.2 It is proposed to consult in a variety of ways, examples include manned exhibitions in Kidderminster, Stourport on Severn, Bewdley and in areas most affected by the proposed developments, mini poster displays in a wide range of accessible locations throughout Wyre Forest District, a press release to the local newspaper as well as a leaflet distribution to all householders. All Town and Parish Council’s will be sent a consultation notice and be asked to display it on parish council notice boards.

5.0 Involving Harder-to-reach Groups

5.1 Within the District there are groups which are hard to reach through consultations. The District Council recognises that these groups in particular may have different levels of access to information and therefore may find it harder to get involved in the decision making process. In particular, the District Council will employ the following methods for engaging hard to reach groups: Leaflet distribution to all residents within Wyre Forest District, manned exhibitions at public locations (detailed at 6.2) and Twitter feeds.
6.0 Exhibition Specifics

6.1 During the eight week public consultation on the Preferred Options Document a number of exhibitions will be held. These will be manned at highly accessible public locations in the three main towns of Kidderminster, Stourport-on-Severn and Bewdley and in areas of impact of the proposals. Display boards will be erected at the exhibitions and copies of the Preferred Options Document will be made available for viewing along with other materials. The exhibition will allow the public to view the Preferred Options in more detail and post comments. Staff will also be on hand to answer any queries raised by the public.

6.2 Exhibition Plan

6.3 Poster Displays

Posters will be displayed at the following locations throughout the duration of the preferred options consultation.

- Kidderminster Library
- Stourport Library
In addition, subject to each venue being willing to display a poster:

- Library van

**KIDDERMINSTER**
- Wyre Forest Hub/Town Hall
- Wyre Forest Leisure Centre
- Tesco
- Sainsburys
- Morrisons
- Asda
- Aldi
- Iceland
- Hodge Hill Garden Nurseries
- Barnetts Hill Garden Centre

**STOURPORT**
- Stourport Civic Hall
- Tesco
- Co-op
- Lidl
- Cooks Garden Centre

**BEWDLEY**
- Bewdley Museum
- Bewdley Leisure Centre
- Co-op
- Tesco
- Hopleys Farm Shop
RURAL AREAS

- Wyre Forest Discovery Centre
- Cookley – Tesco or Post Office
- Blakedown Post Office
- Chaddesley Corbett Post Office
- Wolverley Stores
- Fairfield Shop
- Upper Arley Post Office
- Rowberry Farm Shop
- Far Forest Post Office/stores
- Colliers Farm Shop or Clows Top Post Office.

7.0 Awareness raising – Media

7.1 To coincide with the launch of the consultation on the Preferred Options Document press releases will be organised for the Kidderminster Shuttle. An eye-catching publicity leaflet will be delivered to every household. The leaflet will detail the dates and times of the exhibitions and details of places where the Preferred Options Document can be viewed/downloaded.

8.0 Publishing on the Web

8.1 An interactive version of the Preferred Options Document will be made available to enable electronic representations to be made. The interactive response form can be downloaded and printed or filled in and submitted online. Representations will also be accepted by e-mail or post.

8.2 The District Council will also use social media (Twitter and Facebook) to promote the consultation period and the exhibitions. Twitter and Facebook will be used to raise key questions relevant to the consultation during the consultation period and comments made will be summarised.

9.0 Formally Processing Comments – Procedures

9.1 All responses submitted to the District Council online, by letter and email will be acknowledged within five working days of their receipt. The Planning Policy Team will carefully analyse all comments and suggestions and prepare a summary report detailing proposals for consideration at
the Pre-Submission Plan stage. This will be presented to and considered by the Local Plans Review Panel, Overview and Scrutiny Committee and Cabinet.

9.2 The summary report following Cabinet’s consideration will be made available for public viewing at Council Offices and on the website.

Dear Sir/Madam

What will the Wyre Forest District look like in 2034?
How you can have your say

The Council is drawing up a blueprint for the District up to 2034. This is called the Local Plan and it will set out the amount of housing, employment and retail development for our area in the future and where this is to be built.

The District has a Local Plan in place but it is now time to review this to make sure it meets our future development needs and takes account of national planning policy. As part of the Local Plan Review, the Council has produced a “Preferred Options” document for consultation. The Preferred Options document identifies two potential approaches to how Wyre Forest District might meet its development requirements in the period up to 2034 along with proposed strategic, development management and allocations policies. The Council is seeking your views on these proposals and whether you think we have missed anything out?

We are consulting residents, businesses and local interest groups from 15th June until 14th August 2017 and this letter sets out how you can get involved in the process. A summary leaflet is enclosed which provides details on how you can have your say.

You can read the full document on our website at http://wyreforestdc-consult.limehouse.co.uk and also fill in our interactive response form, answering as little or as many questions as you want or you can just put forward general comments. If you would like to talk through any of the issues with us you can visit one of our drop-in sessions. The locations and times for these are listed on the enclosed leaflet. Continued/...
The Council welcomes your views on the Preferred Options document which will be used to help inform the new Local Plan. It is anticipated that further consultation on the Pre-Submission Document will take place in early 2018.

If you have any queries in relation to the Local Plan Review, or you no longer wish to be notified of its progress, please contact the Planning Policy Team on email LPR@wyreforestdc.gov.uk or tel: 01562 732928. We look forward to receiving your views and comments.

Yours faithfully

Helen Smith
Spatial Planning Manager

Enc.
Wyre Forest District Council is reviewing its long term Local Plan and needs to allocate where more housing, employment and supporting services are to be located in the future.

The Council is proposing two options and would like your views. You can read more in our Preferred Options Consultation Document on our Local Plan Review webpage [www.wyreforestdc.gov.uk/localplanreview](http://www.wyreforestdc.gov.uk/localplanreview)
Have your say on the Local Plan

The Local Plan covers topics such as how many new houses are required and where they will go; where should new employment areas be located; what additional services, such as transport and schools, will be needed to support development; and how the environment can be protected.

Copies of the consultation documentation are available on our website and can also be seen at the Worcestershire Hub, Vicar Street, Kidderminster and libraries in the district.

Find out more about how the Local Plan might affect you by visiting us at one of the drop-in sessions.

Dear Sir/Madam

Wyre Forest Local Plan Review
Preferred Options Consultation

Wyre Forest District Council is now proceeding to the next stage of its Local Plan Review with a Preferred Options Consultation period, which will run from 15 June 2017 until 5.00pm 14 August 2017. This will incorporate a comprehensive review of the Adopted Core Strategy, Site Allocations and Policies Local Plan and Kidderminster Central Area Action Plan in order to produce a single Local Plan Document for the District.

The Council has now produced a “Preferred Options” document for consultation which takes into account the Issues and Options Consultation carried out in late 2015 along with the body of evidence that the District has now developed. The Preferred Options document identifies two potential approaches to how Wyre Forest District might meet its development requirements in the period up to 2034 along with proposed strategic, development management and allocations policies.

The Preferred Options document and the accompanying documentation are available to view and download from our website at http://wyreforestdc-consult.limehouse.co.uk.

The National Planning Policy Framework (paragraphs 178-181), states that public bodies have a Duty to Co-operate on strategic planning issues that cross administrative boundaries. The District Council is keen to ensure that any such issues are identified as early as possible so that they can be fully considered through policy development. Therefore, please could we ask you to consider the Preferred Options document and complete the enclosed Duty to Co-operate proforma to help us identify these strategic issues.

Continued/...
It is anticipated that a further consultation at the Pre-Submission stage will take place in early 2018, with the Draft Local Plan to be submitted for examination later in 2018.

If you would like to discuss Duty to Co-operate Issues in more detail then please do not hesitate to contact the Planning Policy Team on email LPR@wyreforestdc.gov.uk or tel: 01562 732928. We look forward to receiving your views and comments.

Yours faithfully

Wyre Forest District Local Plan Review
Duty to Co-operate Proforma

The Local Plan Review Preferred Options Consultation takes place from 15th June until 14th August 2017. During this time Wyre Forest District Council is contacting each Local Authority and body under the Duty to Co-operate Requirements to ask if there are any strategic or cross boundary issues that you would wish to be considered in the preparation of the Local Plan Review. National Planning Policy Framework (paragraphs 178-181) states that public bodies have a Duty to Co-operate on strategic planning issues that cross administrative boundaries. Please could you identify any such issues on the proforma below.

It would be helpful if you could return it to us signed even if there are no particular issues, so that we can ensure that our Duty to Co-operate Requirements are addressed right from the beginning of plan preparation.

Kind Regards,
Helen Smith
Spatial Planning Manager

News release from Wyre Forest District Council

For immediate release Thursday 15 June 2017

Have your say on Local Plan

Residents, local businesses and stakeholders are being asked to have their say on Wyre Forest District Council’s draft Local Plan Preferred Options document. The important planning document covers topics such as how many new houses are required and where they will go, where new employment area should be and what additional services, such as transport and schools, will be needed to support development up until 2034.

The Council is proposing two options. One option sees additional development concentrated to the east/south east of Kidderminster (Option A). The other option (Option B) would see growth more widely dispersed (particularly around Stourport-on-Severn and adjacent to Lea Castle, Kidderminster). The full details on the options are available at www.wyreforestdc.gov.uk/localplanreview. They can also be viewed at the Worcestershire Hub, Vicar Street, Kidderminster and in libraries in the district.

Councillor Marcus Hart, Leader of Wyre Forest District Council said:

“We need to hear from the community and get people taking part in this important consultation. There are some difficult decisions to be made about where development should be and how to balance that with protecting the natural assets of our beautiful district.”

Both options do include some development on Green Belt land and there are different implications for transport networks for the two approaches.

Councillor Ian Hardiman, Wyre Forest District Council Cabinet Member for Planning & Economic Regeneration said:

“According to the evidence gathered we know that the Council needs to plan for the development of 300 new houses per year up until 2034. Unfortunately not all of this can be accommodated on brownfield land, so regrettably this does mean there will need to be development in the Green Belt. We are committed to protecting our Green Belt land and it is anticipated that the proposals will involve around 2% of the land allocated for Green Belt land in the district.”

A series of drop in sessions has also been arranged for people to find out more about the Local Plan and how it may affect them. They are taking place at:

**Notes for editors**

The Preferred Options Consultation is part of the process the Council has to follow to eventually adopt a new Local Plan to replace the current one which was adopted in 2013. The process began with consultation in 2015 on the broad Issues and Options and will end when the Local Plan is adopted in early 2019.

The National Planning Policy Framework (NPPF) is the document published by the Government setting out the national policies to guide the delivery of sustainable development and is the framework that Councils must follow to ensure that they are able to adopt their Local Plans. The Local Plan needs to look ahead for a period usually of at least 15 years.

Residents turn out to first Local Plan session

For immediate release 11 July 2017

More than 200 residents attended Wyre Forest District Council’s first Local Plan drop-in session yesterday (Monday 10 July) to have their say on important proposals for future development in the district over the next two decades.

The session at Heronswood Primary School in Spennells provided local residents with information and options about where new homes, new employment areas and infrastructure, such as schools and roads might be located to accommodate the district’s growth needs between now and 2034.

Residents were able to view plans, ask questions and give their views on where new development should go. It was the first in a series of sessions to consult residents on Wyre Forest District Council’s draft Local Plan Preferred Options document.

The document sets out two main options. One option sees additional development concentrated to the east/south east of Kidderminster (Option A). The other option (Option B) would see growth more widely dispersed (particularly around Stourport-on-Severn and adjacent to Lea Castle, Kidderminster).

Leader of Wyre Forest District Council, Councillor Marcus Hart said: "I was delighted with the number of residents that turned up to participate in the Local Plan consultation and look at the various options and ask questions and make comments.

"I personally spoke with many local residents and was happy to hear their feedback and stressed the importance of local residents having their say on where they wanted to see the housing growth be accommodated across the district over the next 17 years and that this was a genuine consultation."

Deputy Leader and Cabinet Member for Planning and Economic Regeneration Ian Hardiman said: "It is important for the district to have an up to date Local Plan to direct development to where we want to see it and defend against it where we don’t, but this means we will have some difficult choices to make as we simply do not have enough brownfield land to accommodate our housing need and will inevitably mean we will have to release a small amount of Greenbelt land for development."

The next drop-in session will take place in the Wyre Room at St George’s Hall, Bewdley, on Wednesday 19 July, with further sessions taking place around the district throughout July and August.
For people who can’t get to a drop-in session, the full details on the options are available at [www.wyreforestdc.gov.uk/localplanreview](http://www.wyreforestdc.gov.uk/localplanreview). They can also be viewed at the Worcestershire Hub, Vicar Street, Kidderminster and in libraries in the district.

People can submit comments and feedback via email to [LPR@wyreforestdc.gov.uk](mailto:LPR@wyreforestdc.gov.uk) or by post to Planning Policy Team, Wyre Forest District Council, Wyre Forest House, Finepoint Way, Kidderminster, WORCS, DY11 7WF. The deadline for responses is 5pm on Monday 14 August 2017.

The Preferred Options Consultation is part of the process the Council has to follow to eventually adopt a new Local Plan to replace the current one which was adopted in 2013. The process began with consultation in 2015 on the broad Issues and Options and will end when the Local Plan is adopted in early 2019.

The National Planning Policy Framework (NPPF) is the document published by the Government setting out the national policies to guide the delivery of sustainable development and is the framework that Councils must follow to ensure that they are able to adopt their Local Plans. The Local Plan needs to look ahead for a period usually of at least 15 years.
Local Plan sessions prove popular

More than fifteen hundred people have attended Wyre Forest District Council’s Local Plan drop-in sessions so far.

The events have been organised by the council to give people a chance to have their say on important proposals for future development in the district over the next two decades.

To date there have been seven events across the district and the final event is being held on Friday 4 August at St Oswald’s Church Centre, Broadwaters Drive, Kidderminster from 2.00pm until 7.00pm.

Councillor Ian Hardiman, Wyre Forest District Council’s Cabinet Member for Planning and Economic Regeneration said:

“It is great that residents are coming along to our sessions to find out about the options we’re suggesting for the Local Plan. It’s important that people have got all the information they need to enable them to give us feedback and their ideas. There is still one drop-in session left and all the information is available on our website too. “

The council is consulting on its draft Local Plan Preferred Options document. This sets out where new homes, new employment areas and infrastructure, such as schools and roads might be located to accommodate the district’s growth needs between now and 2034.

During the sessions people have the chance to find out more about the options. They have been able to view plans, ask questions and give their views on where new development should go.

The Preferred Options document sets out two main options. One option sees additional development concentrated to the east/south east of Kidderminster (Option A). The other option (Option B) would see growth more widely dispersed (particularly around Stourport-on-Severn and adjacent to Lea Castle, Kidderminster). People can comment on any of the sites and come up with alternative suggestions. The final draft plan may include a combination of sites from the options and new suggestions.

For people who can’t get to the final drop-in session, the full details on the options are available at www.wyreforestdc.gov.uk/localplanreview. They can also be viewed at the Worcestershire Hub, Vicar Street, Kidderminster and in libraries in the district.

People can submit comments and feedback via email to LPR@wyreforestdc.gov.uk or by post to Planning Policy Team, Wyre Forest District Council, Wyre Forest House, Finepoint Way, Kidderminster, WORCS, DY11 7WF. The deadline for responses is 5pm on Monday 14 August 2017.
