## **Notes and Guidance**

### **When should the Monitoring Officer be notified of disclosable pecuniary interests?**

As a member or co-opted member you must, before the end of 28 days beginning with the day on which you became a member or co-opted member of the authority, notify the authority's monitoring officer of any disclosable pecuniary interests which you or your spouse or civil partner or equivalent have at the time when the notification is given. It is important to keep your register of interests up to date.

On re-election or re-appointment as a member or co-opted member you should notify the Monitoring Officer of any disclosable pecuniary interests which you or your spouse or civil partner or equivalent have, and which you have not previously notified. You should do this before the end of 28 days beginning with the day on which you were re-elected or re-appointed.

Following any disclosure of an interest not on the council's register or the subject of a pending notification, you must notify the Monitoring Officer of the interest within 28 days beginning with the date of disclosure. (A pending notification is one where the Monitoring Officer has been notified of the interest but it has not yet been entered in the register).

### **Sensitive Information**

If you have an interest the nature of which is that you and the Monitoring Officer considers that disclosure of the details of the interest could lead to you, or a person connected with you, being subject to violence or intimidation, then details of that interest will be excluded from the public register. Instead, the register will state that you or your spouse or civil partner or equivalent have an interest, the details of which are withheld because of this provision.

Please contact the Monitoring Officer if you wish to discuss this subject.
