

Examination of Wyre Forest Local Plan
Inspector: Ms. M Travers BA(Hons) DipTP MRTTP

Update from the Inspector

14 June 2021

In accordance with my advice in document ED46, the Council is preparing a schedule of draft main modifications to the Plan, in order to ensure that the Plan is sound and can be adopted. The draft schedule will be subject to sustainability appraisal (SA) and it is expected that the draft schedule, the SA report and supporting documents will be reported to the Council's elected members in September. This will be followed by public consultation on the proposed main modifications which will take place over a 6-week period in the Autumn, the details of which will be published in due course. I will take account of all the representations on the main modifications before completing my report to the Council on the examination, which will include recommendations on the main modifications that are necessary to make the Plan sound.

For background information on the examination process, please see document ED17.

Any queries about this update should be directed to the Programme Officer, Mrs Louise St John Howe.
