MATTER 6(v): Villages and Rural Areas Site Allocations (Section 36 of the Plan)

HEARING AGENDA

Tuesday 26 January 2021, commencing at 14:00

The agenda sets out the main topics on which the discussion will be focused, taking account of the submitted evidence, representations and written statements in response to my Matters and Questions. Discussion of the proposed allocations will take place in the Plan order, as necessary.

1. Justification for the proposed allocations and clarity of the decision-making process for selection of the allocated sites and not others
2. Suitability of the mix of allocations to meet the identified needs
3. Flexibility, viability and deliverability of the allocations
4. Soundness of the specific allocations, including a) demonstration of exceptional circumstances for the proposed releases from the Green Belt, b) proposals for development in areas that are to remain 'washed over' by the Green Belt, and c) clarity and effectiveness of the policies and the need for any main modifications
