

Wyre Forest District Council Adopted Severn Valley Railway Local Heritage List												
9th May 2016												
1=Age; 2=Architectural Interest; 3=Social and Communal Value; 4=Associated with famous people; 5=Rarity; 6=Historic Associations; 7=Landmark; 8=Modern or Replica												
CC No.	East	North	Parish	Qualifying Criteria								Brief Description
				1	2	3	4	5	6	7	8	
SVR001	383775	276316	K	X		X						Coal yard offices early C20
SVR002	383783	276294	K		X						X	Kidderminster Town Station Buildings. Victorian design based on Ross on Wyre Station, constructed mid 1980's.
SVR003	383756	275994	K		X						X	Water Tower
SVR004	383746	275992	K		X						X	GWR pattern signal box constructed mid-1980's
SVR005	383754	275986	K	X								Brick platelayers hut early C20
SVR006	383747	276265	K	X	X							Brick goods shed C19
SVR007*	383808	276160	K	X	X	X						Warehouse Late C19
SVR008*	383740	276227	K		X	X						Wrangaton Signal Box GWR pattern recently reconstructed
SVR009	383467	275354	K	X								SVR Bridge 1 Hoo Road. c.1878. Over bridge constructed in engineering brick with stone copings.
SVR010*	383138	275143	K	X								SVR Bridge 2 Worcester Road. c.1878. Underbridge constructed in engineering brick with stone copings.
SVR011*	382906	275067	K	X	X						X	SVR Bridge 3: Falling Sands Viaduct. c.1878. Brick viaduct with stone copings; railings extant 1894 now removed.
SVR012*	382761	275021	K	X								SVR Bridge 4. c.1878. Underbridge constructed in engineering brick with stone copings.
SVR013*	382270	274867	K	X								SVR Bridge 5: Stourport Rd. c.1878. Over bridge constructed in engineering brick with stone copings and with benchmark feature on west parapet.
SVR014*	381596	274652	K	X	X							SVR Bridge 6: Bewdley Tunnel. E.Portal. c.1878. Tunnel - stone portals and revetments, relined in blue brick 1910.
SVR014A	381173	274534	K	X	X							SVR Bridge 6: Bewdley Tunnel. W. Portal. c.1878. Tunnel - stone portals and revetments, relined in blue brick 1910.
SVR015	380438	274566	B	X								SVR Bridge 7: Devil's Spittleful. c.1878. Underbridge constructed in engineering brick with stone copings.
SVR016	380306	274610	B	X								Culvert. Rebuilt April 1916
SVR017	380138	274687	B									Culvert C20
SVR018*	379610	275115	B	X	X						X	SVR Bridge 9: Sandbourne Viaduct. c.1861. Sandstone viaduct.
SVR019	379493	275209	B	X	X							Bewdley South Signal Box. GWR Type 4 signal box.
SVR020*	379490	275215	B	X								Privy adjacent to Bewdley South Signal Box.
SVR021A	379988	273599	SOS	X	X							Tunnel. South Portal. c.1861. Tunnel - stone portals. Brick lined but some rock lining to N end. Modern brick revetment on E side.
SVR021*	379971	273697	B	X	X							Tunnel N. Portal. c.1861. Tunnel - stone portals. Brick lined but some rock lining to N end
SVR022*	379944	274314	B	X								Underbridge. c.1861. Stone and Brick Underbridge.
SVR023*	379913	274496	B	X	X							Occupation Underbridge. Stone. c.1861.
SVR024*	379302	275289	B	X	X	X						Goods Shed at Bewdley SVR Station. c.1861. Red brick construction to south-east of station. Parapet to walls, with Welsh slate gabled roof
SVR025*	379267	275327	B	X	X							Bewdley Station Island Platform Canopy. Barrel Arch design; decorative dentil barge boards. Cast iron supporting pillars.
SVR026*	379176	275369	B	X	X							Bewdley Station. Iron and timber bridge crossing rail tracks. Dual-pitched roof to canopy, covered in grey roofing felt. Decorative cast iron brackets to internal roof supports.
SVR027*	379186	275351	B	X	X	X					X	Red brick railway station with rendered ground floor. Welsh slate to roof. Spur finials to gables. Simple barge boards. Stone projecting bay windows to ground floor.
SVR027A	379183	275386		X								Large corrugated shed N of island platform
SVR028*	379130	275385	B	X	X							Signal Box. Constructed in timber and red brick with slate roofs. Simple external timber staircase. Spur finials to gables.
SVR029	379284	275318	B	X	X				X			Cast Iron Victorian Gents Urinal. Brought from Melrose, Scotland, 1977
SVR030*	378620	275903	B	X								SVR Bridge 12: Stone and Brick Underbridge
SVR031*	378267	276394	KF	X								Vermiculated stone retaining wall with access steps midway along length
SVR032*	378271	276422	KF	X								Random stone wall 1861; appears completely rebuilt recently.
SVR033	377971	277197	KF	X								SVR Culvert 96. C19. 50m N of MP 138 3/4
SVR034*	377863	277375	KF	X								SVR Culvert 95: Large blue brick culvert 30" wide 39" high running under railway embankment
SVR035*	377806	277477	KF		X						X	Pagoda Waiting Shelter
SVR036*	377795	277490	KF	X								SVR Culvert 94 Brick/stone culvert 18"w x 30"h, brick h/wall east end
SVR037	377630	277961	KF	X								SVR Culvert 91, south of aqueduct
SVR038*	377536	278693	KF	X								SVR Culvert 86 18" (15"?) brick culvert. Brick headwall west end.
SVR039*	376857	279035	KF	X	X							SVR Bridge 14: Stone overbridge 1861; brick arch; repaired 1915
SVR040*	376792	279082	KF	X	X				X			SVR Culvert 81 Eyemore Cutting. Victorian syphon culvert to carry stream across cutting - extremely unusual feature
SVR041*	376671	279233	KF	X								Original GWR land ownership boundary marker on footpath S of Victoria Bridge
SVR042*	376678	279241	KF	X								Original GWR land ownership boundary marker on footpath N of Victoria Bridge
SVR043*	376555	279575	UA	X	X							SVR Bridge 16: Fowler designed stone underbridge in near original condition
SVR044*	376414	279916	UA	X								SVR Bridge 17: Stone overbridge 1861; brick arch; benchmark; repaired 1915.
SVR045*	376372	279949	UA	X	X							Arley Station down platform waiting shelter. Brick shelter with timber canopy and monopitch roof.
SVR046*	376402	279947	UA	X	X	X					X	Yellow brick railway station. 1861. Welsh slate to roof. Spur finials to gables. Simple barge boards. Stone projecting bay. Extra bedroom added 1901. windows to ground floor.
SVR047*	376411	279934	UA		X							K6 telephone box - good listing potential as this is in Conservation Area
SVR048*	376348	280002	UA	X	X							Signal box. Moved from Yorton on the Shrewsbury to Crewe line. C1900.
SVR049*	375347	280835	UA	X								Historic timber post distant signal - AY UP Distant. c.1900
SVR050*	375322	280950	UA	X	X							SVR Bridge 18
SVR050A	375417	280855	UA	X	X							Continuation of Bridge 18 discharges into river, under field - maybe not SVR
