To Who it May Concern,

I am writing to share my concern that Mr & Mrs Smith are having to vacate their property after a number of years in residence.

Naomi, their youngest daughter, has made a massive amount of progress academically, emotionally and socially this year. This has been due to the friendships she has made and the fact she feels safe and secure in school. A move to another school may hinder this remarkable progress.

Her sister, Chelsea, has starting working for us and she now has a permanent cleaning job in the school.

Kind Regards
