To whom it may concern

I have known Anthony Smith of Top Acre; Curslow Lane, Mustow Green, Kidderminster, since 2009. When I first started working for his Home improvement business based next door to his home address. I have also worked for the van side of the business based at his home address since 2010 and currently still help with both businesses from time to time. We also started a venture together in 2011 called LPB landscape, paving and building based at the Stables next door, using the address Two Acres Yard, North Worcetershire DY10 4DX.

As part of my duties I have also in the past carried out maintenance and repair work at the above properties.

I can confirm that in August 2018 I erected 2 Yardmaster Pent Medal Garden Storage Units 6ft x 4ft. This was on an existing concrete base, by the side of the chalet. They have been laid on blue engineering bricks and a tiled floor also fitted. This work was carried out for Anthony and his wife Sarah at there home address Top Acre, Curslow Lane, Mustow Green, Kidderminster DY10 4DX.

Kind Regards,

L Phillips
