2.2 COUNCIL TAX AND BUSINESS RATES

2.2.2 That Council:

- a. **SETS** the Council Tax for Wyre Forest District Council on a Band D Property at £236.21 for 2023-2024 (£229.34 2022-2023) which represents an increase of 3% on Council Tax from 2022-2023.
- b. **ENDORSES** the provisional Council Tax on a Band D Property in 2024-2025 of £243.27 and £250.57 in 2025-2026, being increases of 3%.
- 2.2.3 **NOTES** the Head of Resources (as Chief Financial Officer) opinion on the budget proposals, recommended by the Cabinet in this report, as detailed in Appendix 4 of this report.

3. EXTRACT FROM SECTION 3:KEY ISSUES

- 3.1 On 20th December 2022, Cabinet considered reports on proposals for the Budget Strategy for the period 2023-2026 including the intrinsically linked Capital Strategy 2023-2033. The Final Local Government Finance Settlement has now been issued. There are no major changes from the provisional settlement issued on 19th December 2022. This report provides an updated position following receipt of the Final Settlement, subsequent checks and due diligence review, and a proposed budget decision for Council to consider on the 22nd February 2023.
- 3.2 The increase in the District Council's tax from 2011-12 to 2023-24 taking into account the latest proposal is only 19.5% compared to a CPI increase of 41.5% between 2010 and 2022 demonstrating that households within Wyre Forest have enjoyed sub inflation increases across that period.
- 3.3 The Budget Consultation survey was launched on Tuesday 8th November 2022 and ran until Tuesday 6th December 2022. The results of this consultation were reported as part of the December 2022 MTFS report to Cabinet and have informed the proposals in this report. The Strategic Review Panel meetings on the 12th and the 26th January received Alternative Budget Proposals for consideration by Cabinet in formulation of their final proposals and an updated version of the Conservative Group's proposal is included in this report at Appendix 5.
- 3.4 A revised **Capital Programme**, including the associated Quantitative Indicators, as set out in Appendix 2 of the February 2022 Cabinet report is in Appendix 2 for Council approval.
- 3.5 The approach to be taken to **fees and charges** within the financial strategy recommended by Cabinet this year continues to have regard to demand and other market conditions. As a result, some fees and charges may be frozen or increased by less than the average of 5%. Cabinet decided in December that car park fees and season ticket prices will be frozen this year on an exceptional basis due to cost of living pressures; and that a 30 minutes ticket will be introduced and the arrangements for evening charges will be changed, with the current hourly tariff ending at 6pm and a flat charge of £2 introduced for the period between 6pm and 8am.
- 3.6 Fees and Charges requiring Council approval are detailed in Appendix 3.

Spending Proposals

- 3.7 The Cabinet Proposals are revised following careful consideration of Alternative Budget proposals considered by the Strategic Review Panel on the 12th and 26th January 2023 and further dialogue with the opposition groups. The revised proposals demonstrate investment to support the Council's priority of "supporting a successful local economy" and in particular the other priority of a "safe, clean and green living environment".
- 3.8 In addition to the proposals that would have implications for the revenue budget if agreed, there are two issues that have been raised which do not have revenue

implications in 2023-24. The first is that webcasting for Cabinet meetings will be resumed in the new municipal year following a review of usage of the free allowance under the revised webcasting contract. Based on usage in 2022, this is expected to be possible within existing budgets. The second is that the Cabinet will invite the Overview and Scrutiny Committee in the new municipal year to undertake a review of inclusive play equipment in the parks owned by WFDC in order to assess the appropriate level of provision and to recommend how any investment should be financed, including contributions from S106 moneys, other sources such as councillors' community leadership funds and provision within the capital programme for 2024 onwards.

- 3.9 There are nine Cabinet Proposals this year as set out below:
 - 3.9.1 provision of community leadership funding of £1,000 for each councillor in 2023-24, at a cost of £33,000 in 2023-24. The new council elected in May 2023 will decide whether any funding should be made available in subsequent years and at what level, in light of affordability, the lack of support for this measure in the budget consultation (which was also expressed in consultations in earlier years) and the Council's financial position;
 - 3.9.2 additional staffing resources to address capacity issues, at a cost of £119,000/£166,000/£189,000 comprising two corporate policy officers (to be filled by National Graduate Development Programme participants); additional posts within North Worcestershire Economic Development and Regeneration and to allow for a potential move to a company structure for this important shared service; and £20,000pa to fund capacity to support continuation of the green agenda.
 - 3.9.3 ICT Strategy 2023-28, which has revenue implications of £6,000/£49,000/£123,000. Investment for a further 5 year period as set out in detail in the separate report presented to Cabinet in December 2022, proposes capital investment of £1.6m for the delivery of the ICT Strategy over the period 2023-24 to 2028-29. Major expenditure will be subject to specific approval by the ICT Strategy Board and due diligence including a business case for each proposal.
 - 3.9.4 Two new generic Civil and Environmental enforcement posts will be created at a cost of £65,000 in 2023-24 and £68,000 in 2024-25 to further deliver on the priority of a "safe, clean and green living environment". These two posts will match fund the Police and Crime Commissioner's grant offer to "address mutually agreed priorities at community level around prevention, crime, safety and vulnerability". This will build on an initiative in Telford that reduced reported levels of crime, anti-social behaviour and fly tipping.
 - 3.9.5 To increase staffing levels over the summer period for litter picking and bin emptying in Stourport and Bewdley. The proposal will provide an element of core funding (£10,000 pa) that would allow a higher level of activity over the main summer holiday and a further £10,000 pa match funding to unlock match funding from the Town Councils to enhance the provision yet further.
 - 3.9.6 To provide a £5,000 Community Fund to provide grants of £100 £500 to support community, charity and residents' groups to deliver events to

- celebrate the Coronation of King Charles III, similar to the approach adopted for the Platinum Jubilee last year. Parish councils will not be eligible for this fund.
- 3.9.7 To support new culture and arts events grants to town councils by providing automatic funding for the three town councils to spend on culture/arts events of their choosing, the events to be additional to those the town councils would have funded in any case (£10k pa. Kidderminster, £6k pa Stourport, £4k pa Bewdley).
- 3.9.8 Approval of up to £1,000 pa. for the costs of the No Barriers Awards scheme on the basis that administrative support comes from outside WFDC;
- 3.9.9 The inclusion of the Housing Fund grant offer in the Capital Programme. The grant offer of £706,000 will support capital expenditure in 2023-24 of £876,000. The balance to be met from the Evergreen Investment Fund.
- 3.10 The financial impact of the Cabinet Proposals is shown in table 6.1 below.
- 3.11 Business Rate projections based on participation in a Herefordshire and Worcestershire Pool for 2023-24 are shown in table 6.2 below. These take into account the impact of revaluation following examination of the draft valuation list that will come into effect on 1st April 2023, completion of the NDR1 return, confirmation from Government that there won't be a reset until 2025-26 at the earliest and that pooling will again be available in 2024-25. Accurate forecasting is extremely difficult, but it should be possible to manage any significant variations by drawing on the Business Rates Equalisation Earmarked Reserves if necessary. Estimates take into account the Council's share of forecast growth from major redevelopments, appeals, reliefs, economic regeneration work, forecast increases in the multiplier for inflation, revaluation and other Business Rates market intelligence. A collective Herefordshire and Worcestershire Business Rates Pool approach to provisions for appeals may result in outturn variances to these forecasts which will be reported as part of the Final Accounts process.
- 3.12 LG Futures were commissioned to undertake detailed financial modelling of the potential Pooling proposals for 2023-24. Extensive sensitivity and risk analysis has been undertaken as part of the work. This showed that it is unlikely that participation in the Herefordshire and Worcestershire Pool would not be beneficial.
- Taking these items into account the projected Base Budget net expenditure for 2023-2024 is estimated to be £13,528,000 (see paragraph 6.2). This is £159,000 more than currently estimated to be raised from Council Tax, Business Rates Income retained, Collection Fund Surplus, New Homes Bonus and all other grants based on a 3% pa Council Tax increase. This total is net of savings targets from Wyre Forest Forward and Localism work streams.

Notes

Vehicle, Equipment and Systems Renewals were funded by operational leases until 31st March 2004. Following the introduction of the Prudential System from 2004/05, the future financing of these renewals will be determined in accordance with Council Policy.

Full details of the base Capital Programme are included in the Capital Strategy Report 2023-33.

* Whilst it is highly unlikely that the full allocations will be spent in 2022-23 these are included as maximum sums to enable the Council to take advantage of relevant opportunities to support regeneration in the wider commercial sense as they may arise.

The final capital position for 2021-22 has been stated above.
