Dear Madam,

Wyre Forest District Local Plan Examination – Council's Statement on Matter 11 and associated technical appendices.

Thank you for consulting us on the Councils Statement on Matter 11 and associated technical appendices to be discussed as part of the Examination in Public for the Wyre Forest District Local Plan 2016 - 2036.

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015, and is the highway authority, traffic authority and street authority for the Strategic Road Network (SRN). It is our role to maintain the safe and efficient operation of the SRN whilst acting as a delivery partner to national economic growth.

Having considered the statement and provision of new technical evidence on transport issues, we have concluded that no further response is required from ourselves.

If you require any further information, then please do not hesitate to contact me on the details provided.

Yours sincerely

Ben Simm
